

NEWCASTLE-UNDER-LYME BOROUGH COUNCIL

**CORPORATE LEADERSHIP TEAM'S
REPORT TO ECONOMY & PLACE SCRUTINY COMMITTEE**

DATE: 19 March 2026

Report Title: Newcastle-under-Lyme Borough Local Plan 2040

Submitted by: Deputy Chief Executive

Portfolios: Strategic Planning

Ward(s) affected: All

<u>Purpose of the Report</u>	<u>Key Decision</u>	Yes <input type="checkbox"/>	No <input checked="" type="checkbox"/>
To provide an update on the emerging Borough Local Plan.			
<u>Recommendation</u>			
That the Committee notes the update on the progress of developing a new Local Plan for the Borough.			
<u>Reasons</u>			
To provide an update on the progress of developing a new Local Plan. To ensure that the process of adopting a Local Plan is undertaken in accordance with the requirements of the Planning and Compulsory Purchase Act and the Town and Country Planning (Local Planning) (England) Regulations 2012 (as amended).			

1. Background

- 1.1** The Local Plan sets the vision and framework for how the Borough will grow up to 2040. It sets out targets for the number of jobs and homes to be delivered in the Borough and provides a spatial strategy to guide development to the most sustainable locations. On its adoption, the Plan will form part of the statutory Development Plan for the Borough.
- 1.2** The Economy and Place Scrutiny Committee, at its meeting on the 12 December 2022, requested that a standing item be added to future meeting agendas to provide an update on the current position with regards to the preparation of the emerging Borough Local Plan.
- 1.3** The Borough Council submitted the Local Plan for examination on the 20 December 2024. Inspector Anne Jordan (BA Hons) MRTPI has been appointed to examine the Local Plan.
- 1.4** All comments received at the Final Draft Local Plan (at Regulation 19 stage) were sent to the Secretary of State on the submission of the Plan for consideration. The Inspector holding the examination considers the evidence

provided by the Council to support the Plan and any representations which have been put forward by local people and interested parties.

- 1.5** There are three potential outcomes to the examination process:
- a) The Plan as submitted by the Council is found to be sound and legally compliant.
 - b) Changes (known as ‘main modifications’) to the Plan are considered necessary to make it legally compliant and sound; or
 - c) The Plan is deemed unsound and/or not legally compliant with any deficiency (ies) unable to be remedied through main modifications. In this outcome, the Council is asked to withdraw the Plan from examination.
- 1.6** The outcome for a large proportion of plan examinations is (b), involving ‘main modifications – changes to the plan deemed necessary to make the Plan sound. Proposed main modifications that the Inspector considers necessary are subject to public consultation for a period of six weeks during the examination. At the end of the examination, the Inspector will normally send a report to the Council with their findings including confirming final recommended main modifications. After that, the Plan, incorporating the main modifications, can be adopted by the Council. Upon adoption the Plan would become part of the statutory development plan for the Borough and would replace most policies in the Joint Core Strategy 2009 and legacy Newcastle-under-Lyme Local Plan 2003.

2. Issues

- 2.1** A Local Plan ‘examination library’ webpage has been created: - [Local plan examination – Newcastle-under-Lyme Borough Council](#). The examination library provides regular updates on the examination. The Inspector and Programme Officer, appointed to assist the Inspector with the running of the examination maintain the library. Any updates to the website are facilitated by the Council. The examination library contains documents submitted to the Inspector on the submission of the Local Plan and then regular updates on the Local Plan examination, including letters and correspondence that the Inspector issues to the Council and formal responses by the Council in return.
- 2.2** Further to responses being made by the Council to information requests from the Inspector, public examination hearing sessions were confirmed and held from the 20 May to 26 June 2025.
- 2.3** The Inspector issued her post hearing views on the 1 August 2025 and asked the Council to undertake some additional work. The Council duly responded to the Inspector and additional matters raised on the 22 September and the 3 October 2025 respectively.
- 2.4** Following correspondence from the Inspector, on the 27 October 2025, the Council then moved onto the Main Modifications consultation stage. Here, the Council consulted on a schedule of modifications required to the Local Plan following the outcomes of the examination process. Other consultation documents included a list of additional minor modifications (focused on non-material matters such as formatting) and supporting documentation including Sustainability Appraisal and Habitats Regulations Assessment. Changes to

the Policies Map are also consulted upon at this stage, which are necessary to reflect the implications of changes being proposed to the Local Plan.

- 2.5** The technical consultation on Main Modifications commenced on the 5 November 2025 and ended on the 17 December 2025. A total of 197 representations were received from 71 respondents during the consultation on the schedule of Main Modifications. The consultation responses received and consultation report from the Council (which summarised the responses received and includes views/comments by the Council on issues raised in consultation responses) have been sent to the Inspector and are published on the local plan examination library. The Council now awaits further instructions from the Inspector on next steps.

3. Recommendation

- 3.1** That the Committee notes the update on the progress of developing a new Local Plan for the Borough.

4. Reasons

- 4.1** To provide an update on the progress of developing a new Local Plan. To ensure that the process of adopting a Local Plan is undertaken in accordance with the requirements of the Planning and Compulsory Purchase Act and the Town and Country Planning (Local Planning) (England) Regulations 2012 (as amended).

5. Options Considered

- 5.1** The Council has expressed its clear intention through the approval of a Local Development Scheme (Local Plan Timetable) to adopt a new Local Plan providing a comprehensive set of up-to date planning policies for the Borough.

6. Legal and Statutory Implications

- 6.1** In accordance with Section 20 of the Planning and Compulsory Purchase Act 2004 (as amended) ('the 2004 Act'), the Council has a statutory duty to prepare planning policies and maintain an up-to-date development plan.
- 6.2** Secondary legislation relating to the preparation of development plan documents is set out in the Town and Country Planning (Local Planning) (England) Regulations 2012.

7. Equality Impact Assessment

- 7.1** The Local Plan is supported by an Equality Impact Assessment as part of its Sustainability Appraisal. This will consider how development proposed and planning policies impact on different groups in the community.

8. Financial and Resource Implications

- 8.1 The preparation of the Local Plan is resourced through the Planning Policy budget and full use of the Local Plan reserve.

9. **Major Risks & Mitigation**

- 9.1 In line with the transitional provisions of the December 2024 National Planning Policy Framework (paragraphs 234b & 236 respectively) for Local Plan making, where a Local Plan has been submitted for examination on or before the 12 March 2025 and the emerging Plan provides for less than 80% of local housing need, the Local Planning Authority will be expected to begin work on a new plan, under the revised plan-making system provided for under the Levelling Up and Regeneration Act 2023 in order to address any shortfall in housing need. This is the position faced by the Council following the publication of the National Planning Policy Framework in December 2024.
- 9.2 The Government have also recently published a consultation version of changes that they would like to make to the National Planning Policy Framework alongside draft guidance on how to produce a new local plan. The new draft guidance for producing a local plan suggests that the Council has to produce a notification of commencement (essentially to publish a timetable of production of the new local plan) through the new local plan system by the 30 June 2026 and further information (called a Gateway 1 assessment) by the end of October 2026. Additional guidance is awaited from Government on the new local plan system and its operation. Reports to subsequent Economy and Place Committees will outline obligations in respect of the new local plan process.
- 9.3 Changes in National Policy, Legislation and Guidance - The Planning and Infrastructure Act received Royal Assent in late 2025. This may also have a future impact on Planning and Local Plan making once regulations are published and further information is known.

10. **UN Sustainable Development Goals (UNSDG)**

- 10.1 As the Local Plan is primarily focused on the use of land and the achievement of sustainable development, overall levels of growth and the relationship to the environment and infrastructure then several of the UN Sustainable Development Goals will overlap with the aims of the Plan.

11. One Council

Please confirm that consideration has been given to the following programmes of work:

One Commercial Council
