

## QUESTIONS TO THE MAYOR, CABINET MEMBERS AND COMMITTEE CHAIRS

### To the Leader of the Council:

In addition to the Leader's entries in the Register of Disclosable Pecuniary Interests and the declaration of interest he rightly made at 8<sup>th</sup> July Full Council relating to the Local Plan, a news report appeared on [opendemocracy.net](http://opendemocracy.net) dated 4th September: [www.opendemocracy.net/ex-tory-mp-turned-reform-councillor-landed-lobbying-job-after-defecting/](http://www.opendemocracy.net/ex-tory-mp-turned-reform-councillor-landed-lobbying-job-after-defecting/), naming a second client of Councillor Jonathans Gullis's employer that is a developer active within the Borough.

Will the Leader disclose a complete list of any other clients his various firms advise as lobbyists who have a property or commercial interest in our Borough, and can he outline what measures have been put in place to safeguard him from conflicts of interest in his position as Council Leader & Planning Portfolio Holder and the reputation of the Council?

**Cllr. Joan Whieldon**
