Moseley Railway Trust	01/06/2013	£1500	<p>Based at Apedale Heritage site, the Moseley Railway Trust exists to preserve, conserve and interpret locomotives, vehicles and other artefacts pertaining to the industrial narrow gauge railway. The Trust has a volunteer membership of around 200 people - including juniors, adults and OAP's. It holds an extremely comprehensive collection of locomotives (around 60) and rolling stock, including a significant quantity of materials built for use in France during WW1.</p> <p>It seeks funding to stage a major WW1 "Tracks to the Trenches - 2014" event centred around the site over the long weekend of September 12-14 2014. There is going to be a lot of preparation and construction on our expansive site to support the event. They have already started to book some key attractions - please see details on the specific event website: http://www.ww1-event.org</p> <p>It is anticipated that this will be a major event of national & international importance. They are engaged as part of the county-wide offering that Staffordshire County Council wants to promote & they are members of the Imperial War Museum's partnership programme. The grant would be to cover the costs of bringing "Living History" groups to our site, to bring this important story to life.</p>	£10,500	None	£7500 Ticket sales (uncon) £3000Trust Cash reserves (con)	£1500
Friends of Talke Library	02/06/2013	£1300	The Friends of Talke Library was formed in 2002 to increase usage of the service through organising and financing events for children and adults. A new library was set up in 2010. They seek funding to commemorate the First World War by hosting presentations and talks by local historians and having an exhibition.	£1450	2011/12	£150
