### c). Statutory Guidance

### **3. COMMENTS**

In making their decision on the application, the Sub-Committee are obliged to have regard to Statutory Guidance and the Council's own Statement of Licensing Policy. The Sub-Committee must also have regard to all the representations made and the evidence they hear. However the Sub-Committee must disregard any objections that do not relate to the promotion of the four licensing objectives.

The Sub-Committee must take such of the following steps as they consider appropriate for the promotion of the licensing objectives as set out in paragraph 2(a) above:-

- (a) to modify the conditions of the licence;
- (b) to exclude a licensable activity from the scope of the licence;
- (c) to remove the designated premises supervisor;
- (d) to suspend the licence for a period not exceeding three months;
- (e) to revoke the licence.

and for this purpose the conditions of the licence are modified if any of them is altered or omitted or any new condition is added.

The Sub-Committee are asked to note that they may not modify the conditions or reject the whole or part of the application merely because they consider it desirable to do so. It must actually be appropriate in order to promote the licensing objectives
